Selected Repertoire List

The following selected repertoire list represents works studied intensively, conducted in masterclass or rehearsal setting, and—for the most part—conducted in performance. The four sections are divided into works for: 1) mixed voices (including orchestral works such as requiems, oratorios, and passions), 2) women's voices, 3) men's voices, and 4) instrumental works without voice (inclusive, however, of opera). In each section works are arranged by composer.
